### To register your child at The Wendy House

If you would like to visit us, please contact the Nursery Manager on 01223 208869 to arrange a suitable time, and to be given directions and access information. Places are allocated on a first-come, first-served basis, strictly according to date of application.

A deposit of £250.00 is payable when booking your child into the Nursery. From this payment, £50.00 is a non-refundable registration fee, £100.00 will be deducted from your first invoice and the remainder from your last invoice. The deposit is non-refundable if you then, for whatever reason, do not take up the Nursery place or if your attendance at the Nursery is less than 3 months.

We have a minimum attendance policy of three days a week, however we do offer a number of places where children attend only for their entitled funded hours, subject to availability and parental circumstances.
